

Good printmaking things to keep in mind.

Dedicate yourself to the process.

Keep your tools clean.

Don't print between the blankets.

Keep your space tidy.

Be kind always.

Flat hands, Flat rubbing.

No staring into space!

Be patient.

If in doubt, print the colour you are wearing.

Always print to music.

Ask more questions.

Remember etching is backwards.

Always keep printing.

Socks & sandals are NOT okay!

Wear sturdy shoes.

If you don't have time to clean, you don't have time to print!

Fall in love with the idea.

Always do your best!
